Hochschule RheinMain & Steinbeis Centre for Biopolymer Analysis & Biomedical Mass Spectrometry

International Symposium & Summer School: “Affinity - Mass spectrometry in Biotechnology and Biomedical Applications”

August 20th – 24th, 2018 Hochschule RheinMain, Rüsselsheim

Preliminary Topics

Antibody Characterization – Peptide & Protein Epitope Identification –
Biosensor- Mass Spectrometry – Affinity-Proteomics – Clinical
Diagnostics and Therapy Development – New MS Technologies

Committee & Organizers:

Maxim Berezovski, Ottawa Christoph Borchers, Montreal
Michael O. Glocker, Rostock Michael L. Gross, St. Louis
Anna Maria Papini, Florence Wolfgang Kleinekofort,
Rüsselsheim Katja Schmitz, Darmstadt
Michael Przybylski, Rüsselsheim
